

Dios Envió a Su Hijo Amado (God Sent His Beloved Son)

God sent His Son

To save and forgive us.

He died on the Cross for my sins.

But He resurrected, and He's with the Father.

Because He lives, I can face tomorrow.

Because He lives, all fear is gone.

Because I know

That my life is in the hands of my Jesus who is alive.

And when finally the hour arrives

When I will face death,

Without fear I will have victory.

I will see the glory of my Jesus who is alive.
