

¿Estarás Tú Velando? (Will You Be Watching)

Will you be watching like the 10 virgins?...

At midnight the bridegroom came, and those that were ready went with Him...

If the Spirit of God moves in me, I dance like David danced...

I dance, I dance, I dance like David danced...

If the Spirit of God moves in you, you dance like David danced...

You dance, you dance, you dance like David danced...

David, David, David, David was dancing
like the sheep of the flock...

David's wife criticized him because David, David, David, David was
dancing...
