

I Feel Like Going On

I feel like goin' on; I feel like goin' on.
Though trials they are on every hand,
I feel like goin' on.

I feel like goin' on; I feel like goin' on.
Though the storms may be ragin'
and the billows tossin' high,
I feel like goin' on.

I feel like pressin' my way;
I feel like pressin' my way.
With Jesus Christ my Lord and Savior,
I feel like pressin' my way.

I feel like goin' on; I feel like goin' on.
With Jesus Christ my Lord and Savior,
I feel like goin' on.
