

Maravilloso Es (It's Marvelous)

How beautiful is the King of the Universe!

His glory fills the earth and the heavens.

How beautiful is the King of the Universe!

His glory fills the earth and the heavens.

His glory fills the earth.

His glory fills the heavens.

Your glory fills my life, oh Lord...

It's marvelous to be in Your Presence.

It's marvelous to be able to adore You.

It's marvelous to touch Your clothes.

It's marvelous to contemplate You, Lord.

It's always good to keep your mind stayed on Jesus.

It's always good to keep your mind stayed on the Lord.

It's always good to keep your mind stayed on Jesus.

Hallelu, Hallelu, Hallelujah!

I spent the day with my mind stayed on Jesus.

I spent the day with my mind stayed on the Lord.

I spent the day with my mind stayed on Jesus.

Hallelu, Hallelu, Hallelujah!

I spent the day with my being stayed on Jesus.

I spent the day with my being stayed on the Lord.

I spent the day with my mind being stayed on Jesus.

Hallelu, Hallelu, Hallelujah!

I went to sleep with my heart stayed on Jesus.

I went to sleep with my heart stayed on the Lord.

I went to sleep with my heart stayed on Jesus.

Hallelu, Hallelu, Hallelujah!
