

La Gran Tribulación (The Great Tribulation)

A shout, a lament, a sobbing is heard. Many people are alarmed.
They ask what has happened, what has happened in the world?

A young girl is shouting, Mom! A husband is looking for his family.
Some say that a spaceship took away a lot of people,
but in the distance I hear someone shouting, someone shouting,
Christ came, Christ came, and took His people.
There is no remedy; there is not way out. It's the Great Tribulation.
