

Seguir a Cristo (I Have Decided to Follow Jesus)

I have decided to follow Jesus.

I have decided to follow Jesus.

I have decided to follow Jesus.

No turning back, no turning back.

The King of Glory has transformed me.

The King of Glory has transformed me.

The King of Glory has transformed me.

No turning back, no turning back.

The King of Glory has saved me.

The King of Glory has saved me.

The King of Glory has saved me.

No turning back, no turning back.

The King of Glory has cleansed me.

The King of Glory has cleansed me.

The King of Glory has cleansed me.

No turning back, no turning back.

If others don't follow, I will still follow.

If others don't follow, I will still follow.

If others don't follow, I will still follow.

No turning back, no turning back.
