

## **Cristo Es La Luz (Christ Is The Light)**

Christ is the Light, the Light of Life...

Christ, Christ, Christ is the Light...

If you aren't saved by  
the Blood of the Savior...

I invite you to give yourself  
to Jesus the Savior...

When Christ comes in glory,  
I am not going to stay...

We will be raised by His power...  
in the New Jerusalem.

Over there in heaven I have a home  
And a crown to inherit,  
And if you fall asleep, another will come  
And inherit your crown...

They will inherit; they will inherit...
