

Mira Mi Vida (Look at My Life)

Look at my life. I offer it to you today. Always free me from all evil.
When my life wants to get weak, don't permit that; raise me up.

Help me; help me, blessed God... Help me.
Help me; help me, Lord. Help me, I ask You, please.
Blessed God, help me.

I want to sing to Your name with all my heart
and serve Your gospel with love...
Humbly I can announce You, My Savior, My Savior
