

How I Got Over

How I got over...
You know my soul look back and wonder
How I made it over...

Soon as I can see Jesus
The man that died for me
Man that bled and suffered
He hung on Calvary

I'm gonna thank him for how He brought me
I'm gonna thank my God for how he taught me
Thank my God how he kept me
I'm gonna thank Him 'cause He never left me
Then I'm gonna thank Him for heart-felt time religion
I'm gonna thank God for giving me a vision
Lord, I'm gonna join the heavenly choir
I'm gonna sing and never get tired

I'm gonna sing somewhere 'round the altar
I'm gonna shout all my trouble over
Lord, I've wanna thank You, thank You for being
So good to me

Tell me how I made it over, Lord
Oh Lord
Had to cry the midnight hour
You know my soul look back and wonder
How did I make it over

Tell me how I made it over, Lord
Falling and rising all these years
You know my soul look back and wonder
How I made it over

How I Got Over

I'm gonna wear a diadem
In that new Jerusalem
I'm gonna walk the streets of gold
In the homeland of the soul
I'm gonna view the host in white
They've been traveling day and night
Coming up from every nation
They're on their way to the great Coronation

Coming from the north, south, east, and west
They're on their way to a land of rest
Lord, we gonna join the heavenly choir
You know we're gonna sing and never get tired
And then we're gonna sing somewhere 'round the altar
And then we're gonna shout all our troubles over
Lord, we gonna thank You, thank You
for being so good to me

I'm gonna thank You this morning
I'm gonna thank You, Lord, this morning
You know all, all night long You kept his angels watching over me
And You told your angels this morning
You told your angels, Lord, this morning
You said, "touch him in my name"
You said, "touch him in my name"

And I rose this morning, I rose this morning,
With the blood, blood running whole, whole in my veins...

Lord, I feel like running...
Lord, I just gotta thank You...
Lord, You've been so good to me....
