

I Was Glad When They Said Unto Me

I was glad when they said unto me...

Oh let us go into the house of the Lord!

I came runnin' when they said unto me...

Oh let us go into the house of the Lord!

I came praisin' when they said unto me...

Oh let us go into the house of the Lord!

I came shoutin' when they said unto me...

Oh let us go into the house of the Lord!

I came dancin' when they said unto me...

Oh let us go into the house of the Lord!
