

King Jesus

King Jesus, King Jesus,
You're the Lily of the Valley;
You're the Bright and Morning Star.
King Jesus, King Jesus,
You're the God of every nation.
Bless Your name!

How I love You! How I love You!
You're the Lily of the Valley;
You're the Bright and Morning Star.
How I love You! How I love You!
You're the God of every nation.
Bless Your name!
