

## **Jesús Viene en las Nubes (Jesus Is Coming in the Clouds)**

Jesus is coming in the clouds to raise up His church.

If you don't prepare yourself, you will stay here.

My soul will fly, my soul will fly, at the sound of the trumpet, my soul will fly.

How beautiful it is to sing to the Lord with all the strength of your heart...

Brother, let's sing to Him. How beautiful it is to sing to the Lord...
