

Eres Todopoderoso (You Are All Powerful)

The only reason for my worship
Is You, my Jesus.

The only motive I have to live
Is You, my Lord.

My only truth
Is in You.

You are My light and My salvation.

My only love
Are You, Lord.

And forever I will praise You.

You are All Powerful.

You are great and majestic.

You are strong, invincible

And there is no one like You.
