

Permíteme, Señor (Permit Me, Lord)

Permit me, Lord to feel You in my life.
Permit my memory to be filled with You.
Permit me, Lord, to have You in my heart.
Permit me to exist only for You.

*Permit me, Lord, Lord, to only be for You,
And permit me to live under Your mantle of love.
Permit me to fly to You one day, Lord,
And permit me to hear Your welcome.*

Permit me, Lord, to feel Your caresses.
Permit my cheeks to be bathed in tears for You.
Permit my hearing to hear Your voice.
Permit my life to be poured out before You.

Permit me to contemplate Your cross very closely,
And permit me to kiss Your wounded feet.
Permit Your blood to heal my wounds.
Permit me to embrace Your cross, Lord.
