

Preciosa Sangre (Precious Blood)

Sacrificed on Calvary, He showed His love for me.
He carried on Himself all the weight of sin, dirty sins,
and in an important moment and a very decisive instant,
it was through Him that my beloved Father wanted to save me.

**Blood that gives me peace, Blood that purifies me,
Blood that redeems me, Precious blood, the blood of Jesus...**

Rejected and undervalued, The Man of Sorrow suffered our
pains,
and He was wounded for our rebellion.
But anguished and afflicted, He did not open His mouth even unto
death.
From His throne to the manger, from the manger to Calvary,
and from Calvary to me...
