

## **Si En Verdad Eres Salvo (If You Are Truly Saved)**

If you are truly saved, say Amen...

If you are truly saved, testify with your life...

If you are truly saved, say Amen...

If you are truly saved, clap three times...

If you are truly saved, testify with your life...

If you are truly saved, clap three times...

If you are truly saved, say Aleluya...

If you are truly saved, testify with your life...

If you are truly saved, say Aleluya...
