

I Have Come into This House (He Venido a Este Lugar)

I forget about myself, concentrate on You,
and give all my love to You.

I forget about myself, concentrate on You,
and give all my love to You.

I'm imperfect, my Lord, but as much as I know how,
I give all my love to You, my Lord.

I give all my love to You, Jesus Christ my Lord.

Me olvido, me concentro en Ti,
y te doy todo mi amor.

Me olvido, me concentro en Ti,
y te doy todo mi amor.

Soy imperfecto, pero tanto como sé hacer,
te doy todo mi amor.

Te doy todo mi amor, Jesucristo mi Señor.

He venido a este lugar
Para magnificar y adorarte.

He venido a este lugar
Para magnificar y adorarte.

He venido a este lugar
Para magnificar y adorarte, mi Cristo.

Te adoro, mi Cristo y Señor.

Alzo mis manos a Ti para serte un sacrificio y dar mi ser a Ti.
Alzo mis manos a Ti para serte un sacrificio y dar mi ser a Ti.
Alzo mis manos a Ti para serte un sacrificio
y dar mi ser a Ti, mi Cristo.
Te doy mi ser a Ti, mi Cristo, mi Señor.

I have come into this house
To magnify Your Name and worship You.
I have come into this house
To magnify Your Name and worship You.
I have come into this house
To magnify Your Name and worship You, Christ my Lord.
Worship You, Jesus Christ my Lord.

I lift up my hands to give myself to You
and be a sacrifice to You.
I lift up my hands to give myself to You
and be a sacrifice to You.
I lift up my hands to give myself to You
and be a sacrifice to You, my Lord.
Give myself to You, Jesus Christ my Lord.

For You are Lord; You are Lord; You have risen from the dead;
And You are Lord.
And my knees do bow, and My tongue does confess
That You, Jesus Christ, are Lord.

Eres El Señor; Eres El Señor; Resucitaste de entre los muertos;
Y eres El Señor.
Y me arrodillo, y mi lengua confiesa que Jesucristo es El Señor.
